

Questionnaire for M0880 ACCELERATED ALGEBRA

Is Math 0880 right for you? The following questions can help you decide. For each question, choose the answer that is most appropriate – be honest – then follow the instructions at the bottom of the page. M0880 is an **ACCELERATED web-supplemented course with reduced class time – it is an extremely fast-paced course which REVIEWS Intermediate Algebra skills.** It is designed for students who have completed pre-calculus but may need a quick review of algebra skills. It is NOT for students who struggle with mathematics. This course requires at least 20 hours of work outside of class time and a great deal of time and dedication. **The pass rate in this class is very low – do not set yourself up for failure.**

	Column A	Column B
1. I am <u>very comfortable with higher algebra</u> , but just feel that I need a quick review.	No _____	Yes _____
2. I have a very busy schedule this semester (with work, family, other classes, etc.) and I am not going to have a lot of time to work on math outside of class.	Yes _____	No _____
3. I have already taken pre-calculus <u>and did well (a grade of A or B)</u> .	No _____	Yes _____
4. I have daily access to a computer with high-speed internet access.	No _____	Yes _____
