AWARDS
Paralegal A.S. Degree .............................................. 60 cr
Post-Graduate Paralegal Certificate .......................... 30 cr

CREDIT TRANSFER POLICY
The paralegal program has specific credit transfer requirements for paralegal courses in the A.S. degree and certificate. See the Paralegal Program website for details. Students must prepare a petition for transfer of credits that shall be reviewed and approved by the paralegal program director unless the paralegal department has documented prior approval of the paralegal course transfer.

Note: If you have been arrested, charged or convicted of any criminal offense, you should investigate the impact that the arrest, charge or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state, and other higher education financial aid.

PARALEGAL
A.S., 60 CREDITS
Paralegal Curriculum ............................................. 30 cr
Liberal Arts .......................................................... 30 cr

PURPOSE
Approved by the American Bar Association, the Inver Hills paralegal program develops graduates who are prepared to assume the general and ethical responsibilities of paralegals and offers quality, practical coursework (traditionally or partly online), that includes a paralegal internship.

PROGRAM INFORMATION
Lawyers often can deliver legal services more efficiently and economically with the aid of paralegals. Although not independently licensed to practice law, paralegals are professionals trained to assist lawyers in specifically delegated substantive legal work for which lawyers are responsible.

OUTCOMES/OBJECTIVES
The paralegal program prepares graduates for work under the supervision of attorneys in civil, criminal and family law, as well as litigation, probate and estates, real estate, and business organizations. Graduates are trained to: 1) apply and interpret the law and legal procedures in rendering direct assistance to lawyers, 2) conduct competent legal research, writing, and communication, 3) prepare legal documents, 4) analyze procedural and substantive legal problems, 5) interview clients and witnesses, 6) investigate and manage cases, and 7) demonstrate technological skills and familiarity with computerized databases. Paralegals and program graduates do not practice law or give legal advice unless permitted by law.
